Dear Mr. Miller:

This letter is to acknowledge receipt of your letter dated February 22, 1984, March 12, 1984 and a phone conversation with Mr. C. Butts on April 11, 1984 indicating your compliance program for RCRA deficiencies cited during my inspection on January 12, 1984. I consider your response acceptable at this time and will evaluate the adequacy of your program during future inspections.

Thank you for your cooperation. If you have any questions regarding Hazardous Waste Management please feel free to contact me at (313) 368-3335.

Sincerely,

(RCRA Inspection Report - Chrysler Warren Stamping Plant,  
22800 Mound Road, Warren Michigan - EPA ID. NO.:MID 980700868)

Dear Mr. Aubuchon:

This letter is to inform you that the follow up training sessions on Hazardous Waste will be conducted during the week of March 4, 1984. Upon completion of the sessions, you will receive documentation indicating the completion of the classes.

Further, since Warren Stamping Plant is not considered a small generator, we will henceforth comply with the regulation requiring exception reports to be filed when manifests are not received from disposal vendors within the allotted time frame.

Please find a copy of the test analyses enclosed which you require that were not available to you upon your initial inspection.
